# Squadron Updates!

## Team Squadron

Raider and Drill are getting ready for Nationals coming up (May 5-8).

Honor Guard had another success with the saber arch detail for Military Ball, where the new NCO, C/ SrA Pollock, was announced.

Honor Guard will begin practicing for our annual Combat Dining-In.

Nationals practice will be filmed, so cadets can watch how they perform at practice and correct it in the classroom.

## Public Affairs Squadron

APT is working on printing out awareness posters for the unit.

Historian has been collecting photos from various events. Historians are also being trained to increase their skill sets.

Planning has been training reps to do various tasks with paper work, wings, and the unit website. Planning is also helping with the process of establishing upcoming community service events.

## LRS Squadron

LRS is planning on doing some cleaning and renovations in both Admin and Supply!

Admin now has an assistant commander, congratulations to C/ Humphrey!

Admin is working hard to get everything prepared for the May Ceremony!

## Mission Support Squadron

Recruiting has been planning some upcoming trips and events for the middle schoolers to participate in. As well as a mentorship program and a video for the unit.

Kitty Hawk Is waiting for a response back from Charles Pinckney Elementary School so cadets can read to kindergartners and 2nd graders. Cadets are also planning on being more active with middle schoolers and elementary schools.

Morale hosted a very successful field day and is already looking to host another event which will be our units Lock In.

Additionally, morale is working on making a few more fun events for the unit as a whole before the end of the year.
