This Past Month:

There was quite a handful of events

Flight Squadron

Upperclassmen have been building shelters, learning first AID, orienteering, and leadership skills. While the Freshman have have been focusing on further sharpening their drill and Air Force History knowledge.

1 Team Squadron Recap

Team Squadron dominated competitions including Timberland, Fort Dorchester, and Stratford; winning various awards for Drill, Aero, and Raider. We handled various colorguards at some of the following locations, that being the Charleston Battery, a Stingray's game, Military appreciation day football game, etc.

2 Mission Support Recap

Mission Support found a new Kitty Hawk Commander, decorated and maintained a Haunted Trail, one selected flight had a Flight Party, and a PT test took place this month,

5 The events that have taken place include, Hoof Prints in the Sand (Horse Handling), Major's Haunted Trail, and various other community Services. There will be a Bake Sale coming soon and Warrior Challenge is on the horizon.

3 Logistics Readiness Squadron Recap

Logistics Squadron issued a new uniform, Black Polos. Returning Freshman will be receiving their Blue open Collar uniforms in the Second Semester. (A Retention Strategy) Logistics also completed their Combat-Dine-In Script and finished a full inventory on uniform accessories

4 Public Affairs Squadron Recap

Public Affairs has been picking up slack from previous years, attempting to log dozens of lost community service hours into WINGs, in preparation for the Unit Inspection. PAS also gained a new member, C/Walker, he will be the Planning Assistant Commander from now on.
